Chief of Police – City of Irving, Texas

Irving, Texas, ideally situated between Dallas and Fort Worth, is home to more than 236,000 residents. Its thriving economy, combined with its proximity to the Dallas/Fort Worth International and Dallas Love Field airports, has made Irving a U.S. corporate powerhouse.

The City operates under a home rule charter with a council-manager form of government consisting of the Mayor and eight City Council members who serve three-year terms. The Mayor and two Council members are elected at-large, and the remaining Council members represent single-member districts. The Mayor and City Council appoint a professional City Manager to manage the day-to-day operations of the organization. The Chief of Police reports directly to the City Manager. The City of Irving has 2,323 employees and a FY2016-17 budget of \$632.9 million.

The chosen candidate will hold a bachelor's degree from an accredited college or university and must have 10 or more years of experience in a department of comparable size and complexity, preferably in a culturally diverse, urban environment. Previous experience as a Chief of Police or Assistant Chief is required. A master's degree is preferred.
