

Join our team and become a part of the changing face of local government in the City of Harlingen.

**The City of Harlingen is looking to fill the following position.**

## **Public Safety Communications Manager**

**Department:** Police Services

**Job Status:** Full-Time

**Rate of Pay:** DOQ -

**Status:** Until Filled

### **Position Summary**

Oversees all Communications Center activities which includes the E911 system as the primary Public Safety Answering Point (PSAP) that receives and adjudicates the community's calls for police, fire, and medical assistance; operations of the Computer Aided Dispatch (CAD); and the False Alarm sections. Instructions are received from the Civilian Police Administrator (CPA) regarding policy and legal matters. The Communications Manager must have the ability to analyze situations quickly and respond with appropriate action within department guidelines. Briefs the Police Chief on exceptional incidents. The Communications Manager must exercise considerable independent judgment while their work will be reviewed by the Civilian Police Administrator.
