

The TPCA **Innovation Award** is to recognize members of our association who have dared to venture outside of the box, to implement innovative programs within their department and/or community. By doing so they have brought positive recognition not only to themselves, but to that agency as well. The Chief or Chiefs will be recognized at our annual conference.

Please take a minute to nominate a Chief or equivalent member, who must be a member in good standing of TPCA, for the Innovation Award for 2025. Please have your nominations to the TPCA office no later than March 1, 2025. Include with your nomination a brief narrative in support of your nomination. You may attach support documentation, such as newspaper articles or letters of recommendation, to your nomination form.

I nominate \_\_\_\_\_ from \_\_\_\_\_ for the TPCA Innovation Award for 2025.

**Narrative in support of nomination:**

Nominated by: \_\_\_\_\_ Date \_\_\_\_\_
