

Data Driven Approaches to Crime and Traffic Safety Technical Support and Training Program

“Crime and Traffic Safety Analysis: Techniques to Support DDACTS” Level I (Basic) Analyst: 2-day Training Course

The International Association of Directors of Law Enforcement Standards and Training (IADLEST), in conjunction with Texas Department of Transportation, is proud to announce a free 2-day ***Crime and Traffic Safety Analysis: Techniques to Support DDACTS*** course designed to develop the skills of someone newly assigned to this function.

This training course is the next segment in a free multi-part analytical training program that builds on a 12-part online series. The 1-hour training segments listed below can be taken in series or as standalone courses prior to the in-person training. The training series can be accessed at:

Data Analysis Using Microsoft Access series:

[Part One: Data Driven Strategy Basics](#)

[Part Two: DDACTS in Action](#)

[Part Three: Connectivity Why Do I Need It?](#)

[Part Four: Helpful Queries, Reports, Macros](#)

[Part Five: Creating Master Tables](#)

[Part Six: Data Quality and Cleaning Tips](#)

[Part Seven: Making Analytics Easier with Expressions](#)

[Part Eight: How to Identify Top Locations, Offenders](#)

[Part Nine: How to Create Rocking Reports and Automation](#)

[Part Ten: Z-Score and Statistical Significance Made Easy](#)

GIS: Mapping and Hot Spot Identification series:

[Part Eleven: Introduction to ArcGIS Pro for DDACTS](#)

[Part Twelve: Dots on the Map: Plotting and Querying Crash and Crime Data from a Variety of Data Sources](#)

The training program is being conducted by Christopher Bruce, IADLEST Analytical Director for the DDACTS Program, and previous Vice President of the International Association of Crime Analysts.

Date and Time:

Thursday, January 16, 2020 to Friday, January 17, 2020

8:00 am until 4pm

Location:

Alamo Area Regional Law Enforcement Training Academy

8700 Tesoro Dr.

San Antonio, TX. 78217

In an effort to assist agencies to the greatest extent possible with deploying a data driven policing strategy to reduce crime and crashes in their community, IADLEST will **provide up to two-days lodging and per diem for attendees** traveling in excess of 50 miles. Your agency is welcome to take full advantage of this training opportunity by sending more than one of your members, providing seating is available.

Please feel free to contact me if you, or another member of your agency would like to attend this training, and/or if you should any questions.

Sincerely,

Daniel A. Howard

Commander (ret.) Daniel A. Howard, M.A.
